Headteacher's Message

Dear Parents/Carers,

We have had a really enjoyable couple of weeks.

Our science day workshops were a great success on the 12th March and children thoroughly enjoyed the rocket workshops. Children and staff also enjoyed mad hair day on the 15th March for Red Nose Day and we raised £113.10.

Today's Easter Fayre by the PTA continues to raise money for our new Library which we hope will be set up at some point next year.

I hope you have a good Easter holiday break and we look forward to seeing you on Monday 15th April.

Kind regards,

Mrs Wilson

CLASSROOM SPOTLIGHT - BIRCH CLASS

Birch class have been really good scientists this half term. They really enjoyed our whole school science day where they took part in a range of experiments. We made rafts and chopped apples to observe the changes over time. The children also made rockets in a workshop all about space with Dr Foster which they are really proud of. In our science lessons, our topic has been materials and the children have been testing for rigidity and durability. We have been exploring the term 'fair test' and making sure all of our experiments have fair results.

RE curriculum and parental support

All schools must provide RE to all registered pupils, including those in Reception. Although not part of the National Curriculum, RE forms part of the statutory Basic Curriculum, which all schools must follow. Whilst all schools must provide RE to their pupils, only Maintained and Voluntary Controlled schools are required to teach RE in accordance with their Locally Agreed RE Syllabus. As a maintained school we follow the Hertfordshire Agreed Syllabus which teaches children about the main religions. We use the PlanBee resources to support us teach this syllabus.

Please see the link below to the Hertfordshire RE Syllabus:

<https://thegrid.org.uk/assets/hertfordshire-agreed-syllabus-religious-education-2023-2028-v3.pdf>

To support the school and celebrate all religions we would warmly welcome any parents who would be willing to come into school and talk to children about their religion, particularly just before a significant festival, so all children can see how different families celebrate during these important times of the year. If you are interested, please contact Mrs West, our office manager, at admin@oakmere.herts.sch.uk

Online Safety

DEVELOPING ONLINE SAFETY SKILLS TOGETHER

There are lots of simple ways to reinforce the important online safety lessons your child has been learning in school, through Google's Be Internet Legends programme. Created in partnership with Parent Zone, the programme is empowering families to make the most of the internet by helping them become confident digital citizens.

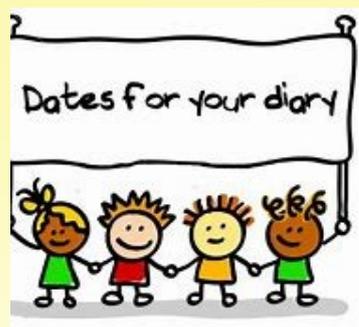

For full information you can access the Spring Online safety newsletter here:
