Headteacher's Message

Dear Parent and Carers,

Family Learning Week was a huge success and we had on average 10 parents at each of our 17 planned sessions. The postponed science workshop will now be on the 26th February.

Our next big school event is the 27th February when we will have Emma Nwofor, our visiting athlete on the 27th February. She is a British multi-event athlete and was the champion of heptathlon at the 2018 British Athletics Championships and finished runner-up at the 2025 British Indoor Athletics Championships in over 60 metres hurdles. Children will have workshops with her throughout the day.

I hope you have a wonderful half term and we look forward to welcoming you back to you on the 23rd February.

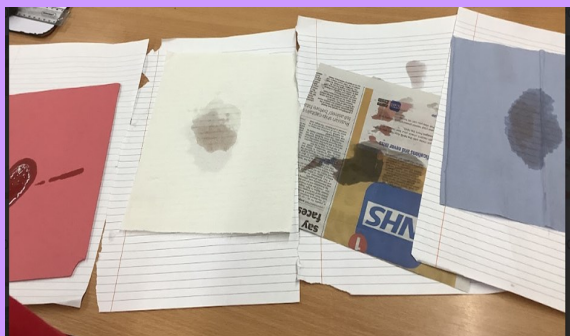

Kind regards,

Mrs Wilson

Headteacher

CLASSROOM SPOTLIGHT— Blue Oak Class

Blue Oak have had a very busy half term. They were fantastic in their class assembly on Vikings. They have had a visit from Rabbi Toby. He told them all about the Jewish faith and also showed them some different objects that were important to the faith and why they were significant. In English they have been working hard on their mystery stories based on the Water Tower and then on their non-chronological reports based on the books *The Street Beneath my Feet* and *The Sea below my Toes*. It was also lovely to see so many parents come to family learning week. The children really enjoyed the art workshop and the History lesson, looking at Viking artefacts. The children have also been investigating the absorbency of different paper as part of their Science topic Properties of Materials.
