## Newsletter - June 2023

# Headteacher's Message

The return to school after May half term has been very busy with the phonics screening test in Year 1 and Multiplication Check in Year 4. The children have done really well, and their results will be shared in their reports at the end of the year.

Year 6 are busy preparing for their end of year performance called 'Dancing through the Decades' which also involves a lot of singing. This is planned for the 17<sup>th</sup> July and information will be shared as soon as possible to Year 6 families on how you can reserve your seats.

The PTA is raising money for our new library which is very exciting. Please support the PTA events as much as you can so we can raise the money we need.

Have a wonderful weekend. I hope the sun holds out!

## POTTERS BAR CARNIVAL

### Oakmere's Carnival VIP!

We are very proud of Daisy Lee, one of our pupils from Oakmere Primary, who responded to Mrs Wilson's email asking for entries to be a Young VIP at Potters Bar Carnival. She did really well and was one of three children to be selected by the Potters Bar Carnival Committee. Daisy wrote, 'I would like to be a Young VIP and get involved in my community. I would like to know what it would be like to be a Young VIP and the Potters Bar Carnival is always fun. My sister was Maid of Honour in 2016 and she told me it was the best day and that's why I would like to be a Young VIP. I would also like to meet the Mayor/Mayoress of Hertsmere'. Daisy was part of the procession and received some pocket money to spend at the event.

## PTA SUMMER FAYRE—30th June 2023

The PTA are busily organising the Summer Fayre which will take place after school on Friday 30th June! They are collecting bottles for the Bottle Tombola which is always a popular stall at the Fayre! Please give any donations to your child's teacher, or to a member of the PTA.

**Thank you for supporting the PTA.**

## CLASSROOM SPOTLIGHT—WILLOW

This term Willow class have been busy investigating animals and their habitats. In Science, they have been exploring the different types of animals and identifying the similarities and differences between them. The children got to investigate the environment that insects live by exploring the woodland area in school.

We also got the opportunity to see the different animals at Paradise Wildlife Park and identify the habitat in which they live in.

In English this term we have been reading Mr Big and the traditional story of The Princess and the Pea. The children have been understanding how the characters were feeling throughout the stories and how their feelings have changed. The children enjoyed acting out these stories and writing a range of sentences.

The children have been working hard on understanding multiplication this term in Maths. We have been using lots of practical representations to make arrays and solve multiplication problems using repeated addition.

We have places at Oakmere Primary  
School Nursery for Sep 23

*We offer excellent  
indoor and outdoor  
facilities*

*We have access  
to a woods just  
outside of the  
school*

*We have lots of  
space for your  
children to  
flourish*

*We make our  
learning fun and  
accessible for  
all!*

Contact the office on 01707 656963 or email [admin@oakmere.herts.sch.uk](mailto:admin@oakmere.herts.sch.uk) for an admissions pack.

### NO PARKING

Can we please remind parents that there is **no parking at any time for parents** beyond the red school gates—this includes for drop off for Breakfast Club, and pick up from After School Club. Please use the visitor car park off Featherstone Close. This is to ensure the safety of children and adults.
