Headteacher's Message

Dear parents/carers,

On Thursday we have had the parent forum, and the school shared the reading strategy for next year, as well as an updated parents on after school clubs. Parents have asked for the next meeting to look at used uniform strategy. If you are interested in getting involved in this please let the office know.

We have had work experience pupils in school from Chancellors Secondary School who have been a tremendous help in the classroom and supported children at lunchtime.

Our Year 4's are visiting Tolmers Activity Centre next week. We are looking forward to finding out how they got on when they return.

I hope you all have a great weekend and the sun continues to shine as it has so far this week.

Kind regards,

Ayshen Wilson

Headteacher

CLASSROOM SPOTLIGHT - CEDAR CLASS

Ce-

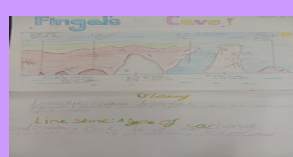

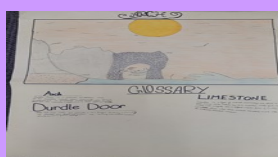

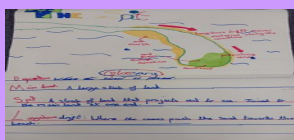

dar

class

have been extremely busy since the last newsletter that we published. The children tasted a variety of scones and then made their own. They looked, smelt, and most importantly tasted delicious. I had mine with jam and cream!

In Science, the children looked at how materials can change. Some changes are irreversible and some are reversible changes.

On the 1st July, Year 5 have a trip to the Natural History Museum where they will learn more about Earthquakes and Volcanoes. They are extremely excited!
