Headteacher's Message

Dear Parents and Carers,

I have some wonderful news. Our Oakmere Netball Team have remained unbeaten for the whole netball season. Following our last league match we are now Potters Bar School and Village League Winners of 2025/2026.

The netball team have worked so hard to achieve this and we are incredible proud of them. Also, a big thank you to Mrs Beacham and Mr Smith for their commitment to the team.

Kind regards,

Mrs Wilson

Headteacher

CLASSROOM SPOTLIGHT— Sycamore Class

This week, Sycamore Class has been taking part in Disability Awareness Week. We were fortunate to welcome Mr Smith, Kai and Stevie, who spoke to the children about their experiences of living with a disability or supporting someone who has one.

The children listened thoughtfully as our visitors shared the challenges they have faced, as well as the strategies they use to overcome them. They spoke honestly about perseverance, resilience and the importance of believing in yourself, even when things are difficult.

The talks were incredibly inspiring and helped the children to develop a greater understanding of the barriers some people may face in their daily lives. Most importantly, the children learned that having a disability does not stop someone from achieving their goals and dreams. Through hard work, determination and support from others, challenges can be overcome.

As part of the week, the children also designed T-shirts celebrating individuality, inclusion and the strengths that come from thinking and learning differently.

We are extremely grateful to Mr Smith, Kai and Stevie for sharing their experiences with us and helping the children understand the importance of empathy, respect and celebrating differences.
