Headteacher's Message

Dear parents and carers,

We have a lot of planned trips this term, with Year 6 visiting the National Gallery, Year 5 and 6 attending a William Shakespeare workshop and Reception, Year 1 and 2's visit to Whipsnade Zoo.

Year 1 have just taken their phonics screening test and Year 4 their multiplication test. They all did incredibly well.

As the weather warms up, please can I remind families to send water bottles to school, apply sun cream and also send in sun hats.

Kind regards,

Mrs Wilson
Headteacher

CLASSROOM SPOTLIGHT— Chestnut Class

Time to play!

Did you know that in history they didn't have playstations and X boxes? Children loved to play outside! Now that we have TVs, phones, computers, playstations, X boxes and lots of other devices we don't play outside that much anymore.

Outdoor play

Outdoor play is amazing! Outside, you can play lots of things such as, basketball, tennis, football, skipping, dodgeball, netball, you could make daisy chains and play lots of other games. Mrs Wilson is the head teacher of Oakmere primary school. She stated that "Children must be allowed to play outside because the sun gives you vitamin D and the fresh air keeps you healthy."

Indoor play

Indoor play is just as fun as outdoor play. Inside, you could play board games such as, snakes and ladders, ludo, scrabble and chess. You could also play card games such as, uno, dobble, snap and lots of others. You can even make pillow forts, cardboard castles and play pillow fights. Indoor play is so much fun.

Chestnut Class have been working hard on their non-chronological reports about plays. The children have explored the features of this text type, including headings, subheadings, factual language, and organising information into clear paragraphs. They have enjoyed researching different aspects of play, such as its benefits for physical and mental health, types of play, and how play has changed over time. The class have shown great enthusiasm for presenting their information clearly and thoughtfully, and many have begun to edit and improve their work with increasing independence.
