Headteacher's Message

Dear Parents and Carers,

Children in Reception-Year 3 thoroughly enjoyed participating in Castles, Knights and Princesses Drama workshops this week.

I hope you have enjoyed attending the Book Fair this week. Next Monday after school is for Sycamore, Chestnut and Cedar and Tuesday is for Blue Oak and Red Oak.

I hope you have a good weekend and the weather is not too cold!

Kind regards,

Mrs Wilson

Headteacher

CLASSROOM SPOTLIGHT— Beech Class

This week, Reception have been learning all about Bonfire Night! The children loved exploring fireworks through creative mark making, using anti-clockwise circles and top-to-bottom lines to build their early handwriting skills while making bright, sparkling firework pictures. They also used musical instruments to re-create the bangs, pops, and whizzes of fireworks, developing their listening and rhythm skills. To extend the fun, the children designed and launched their own straw rockets by blowing through straws — a fantastic way to explore movement and forces while also developing oral motor control, breath regulation, and coordination. In maths they have been looking at shapes, in particular circles and triangles. Creating these shapes with different resources and learning about why they are that shape. For example, a triangle has three sides and three corners. A circle has a curved edge and no corners. What a wonderful week of learning!
