Headteacher's Message

Dear Parents and Carers,

Please don't forget to purchase your tickets for the Winter disco next Wednesday. The PTA continues to raise money for our school library. The work in the library is progressing more rapidly and we are will be purchasing the books for the library in the next couple of weeks. The furniture is also arriving and it is hoped that the library will be open for business in the next 6 weeks.

I hope you have a good weekend.

Kind regards,

Mrs Wilson

Headteacher

CLASSROOM SPOTLIGHT— Beech Class

This week, Reception have been learning all about Bonfire Night! The children loved exploring fireworks through creative mark making, using anti-clockwise circles and top-to-bottom lines to build their early handwriting skills while making bright, sparkling firework pictures. They also used musical instruments to re-create the bangs, pops, and whizzes of fireworks, developing their listening and rhythm skills. To extend the fun, the children designed and launched their own straw rockets by blowing through straws — a fantastic way to explore movement and forces while also developing oral motor control, breath regulation, and coordination. In maths they have been looking at shapes, in particular circles and triangles. Creating these shapes with different resources and learning about why they are that shape. For example, a triangle has three sides and three corners. A circle has a curves edge and no corners. What a wonderful week of learning!
