Headteacher's Message

Dear parents/carers,

We have come to the end of our first half term. The children have been wonderful and focussed on their learning. I have seen some wonderful gymnastics lessons taking place using our new gymnastics mats and equipment.

Shortly after we return next half term children will be enjoying healthy eating workshops run by HCL.

We also start our class assemblies, with Blue Oak on the 6th November. Find out when you child's assembly is by downloading the school calendar dates from our website- link below:

I hope you have a wonderful, restful half term.

Kind regards,

Mrs Wilson
Headteacher

CLASSROOM SPOTLIGHT - Willow Class

Willow class have really enjoyed their science unit of work on the five senses this half term. Each lesson the children have focused on a different sense. In our lesson about sight, the children guided their blindfolded partner around the classroom. The children participated in this activity carefully and they considered the difficulties you face when you are not able to use your sight. The children particularly enjoyed our tasting lesson this week where they were able to try a range of different fruits and vegetables, some of which they had never tasted before. They discussed their likes and dislikes by using adjectives to describe the taste, linking to our English learning.
