

Promoting British Values at Oakmere Primary School

At Oakmere we believe in lifelong learning and that people learn new things every day. Our teaching aims to equip all children with the knowledge, understanding and skills needed to make informed choices in their life and become a useful citizen of the world. We underpin the five British Values in all that we do:

- **Democracy:**

Democracy ripples throughout the school. Pupils have the opportunity to have their voices heard through our School Parliament and Pupil Voice questionnaires. The elections of Councillors, House Captains, as well as the winner of the Star Of The Week Award, are in the hands of the children. Our school behaviour policy clearly reflects every child's 'Right to a Voice' that is heard and respected.

- **The Rule of Law:**

The importance of Laws, whether they be those that govern the class, the school, or the country, are consistently reinforced throughout regular school days, as well as when dealing with behaviour and through school assemblies. Pupils are taught the value and reasons behind laws, that they govern and protect us, the responsibilities that this involves and the consequences when laws are broken. Visits from authorities such as the Police; Fire Service etc. are regular parts of our calendar and help reinforce this message.

- **Individual Liberty:**

Within school, pupils are actively encouraged to make choices, knowing that they are in a safe and supportive environment. As a school we educate and provide boundaries for young pupils to make choices safely, through the provision of a safe environment and empowering education. Pupils are encouraged to know, understand and exercise their rights and personal freedoms and advise how to exercise these safely, for example through our E-Safety and PSHE lessons. Whether it be through choice of challenge, of how they record, of participation in our numerous extra-curricular clubs and opportunities, pupils are given the freedom to make choices.

- **Mutual Respect:**

Part of our school ethos and behaviour policy has revolved around Core Values such as 'Respect', and pupils have been part of discussions and assemblies related to what this means and how it is shown. Posters around the school promote respect for others and this is reiterated through our classroom and learning rules, as well as our behaviour policy.

- **Tolerance of those of Different Faiths and Beliefs:**

This is achieved through enhancing pupils understanding of their place in a culturally diverse society and by giving them opportunities to experience such diversity. Assemblies and discussions involving prejudices and prejudice-based bullying have been followed and supported by learning in RE and PSHE. Members of different faiths or religions are encouraged to share their knowledge to enhance learning within classes and the school.
