

Wraparound care

Breakfast and After School Club

At Oakmere we are able to offer wraparound care before and after school for all our busy families who require additional support.

Places are limited in both clubs to 24. Parents must complete a [Wraparound Care Registration Form](#) before their child can be added to the booking system.

Our aims are:

- To provide 'wraparound care' in a safe, clean and welcoming environment.
- To provide a variety of stimulating and exciting play opportunities in a group situation.
- To provide a good healthy breakfast or after school snack to the child in our care.
- Create an environment where pupils can enjoy their food in an area which is safe, hygienic and comfortable.
- Children of all abilities have equal access to our planned play activities.

To achieve our aims, we will:

- Hold club sessions every day.
- Regularly clean and inspect the premises and equipment used.
- Ensure that there is a qualified first aider on the premises at all times.
- Encourage the children to be independent, to experiment, to be creative and to develop self-discipline and acceptable behaviour.

All staff at our Breakfast and After School Club are employed by the school and work with the children throughout the day in various roles. This helps children to feel secure with familiar faces in a friendly environment and all members of staff at Breakfast and After School Club receive regular training to keep everyone in our care safe.

Both the Breakfast Club and After School club are an extension of Oakmere Primary School and follow the same policies and procedures.

Places at both clubs are limited and must be booked and paid for in advance via Arbor.

Breakfast Club

Our Breakfast Club runs each day from 7.45am and is located in the Junior Hall. Parents should use the main entrance to the Junior building to drop their child off. Parents must accompany their child to the Breakfast Club and ensure their safe hand over to a staff member, signing the register to confirm attendance before leaving the premises. Children can be dropped off up until 8.30am only as staff need time to clear up and get the children ready to go to class.

Pupils are encouraged to select their own breakfast from the choices on offer. In Breakfast Club we provide children with a nutritional breakfast to help aid concentration and learning throughout the school day. On a daily basis we provide rice, wheat, oat and corn based cereals, that are not sugar coated and these are served with semi-skimmed milk.

Alongside these we serve toast with jam, honey or marmite, and occasionally crumpets and pancakes. We also provide seasonal fruits, fromage frais/yoghurts and a selection of fruit juices.

All EYFS and KS1 are escorted to their classrooms at 8.45am, whilst KS2 children go straight to their classrooms.

Breakfast Club is run by Mrs Black and Ms Jennings who are also TAs at the school. Management of the Club is overseen by the Office Manager, Mrs West.

After School Club

After School Club runs from 3:15pm to 5:30pm and is located in the EYFS department.

Organised activities, arts and crafts, construction, board games, competitions and free play will be available. In addition to providing a range of activities we offer a light snack which includes items such as sandwiches, cheese and crackers, wraps, hot dogs or toast. Fruit and salad items are readily available and there is always squash or water.

Staff collect KS1 and EYFS children from their appropriate classrooms, and take them to the ASC room. KS2 children are escorted to the ASC room by an adult.

After School Club is run by Mrs Buckley and Miss Flanagan. Management of the club is overseen by the Office Manager, Mrs West.
